

Rustic and Romantic

My girlfriend and I loved staying at Cabañas La Luna. Centrally located on the beach strip area of Tulum, we walked to restaurants every night except once; we took a cab because it was so hot out. Everyone who worked there was very pleasant and spoke English well. Easy to park. The rooms were spotless everyday and the beds and pillows were very comfortable as well.

Paradise

We stayed one night in Captain Dales with our four children. The cabana is right on the beach with a beautiful veranda with two hammocks. The hotel is beautifully rustic, the kids absolutely loved it. We ate dinner and breakfast at Las Estrellas restaurant and the food was fantastic. We would not hesitate to recommend this hotel and would definitely stay again.

Charming beach hotel

Love Cabanas La Luna! We visited for the day and enjoyed a lovely meal and drinks. Service was a bit slow but that was okay as it is Tulum and everything is more laid back. The beach was clean and crystal clear blue. So relaxing to sit on a subbed and just take it all in. The Cabanas looked quaint and quirky. Would stay here if the opportunity arised.

Fantastic place in the most beautiful, lovely and quiet beach. The cabanas are simple but charming. Our kids loved to stay at Captain's Dale. It's perfect, like being in a tree house by the sea, sleeping with the sound of the waves. Good breakfast, good restaurant and exceptionally friendly staff. We felt at home. Love it and will come back for sure.

Beautiful beach and child friendly, and the beach front rooms are the best.
